

MECHANICAL/ELECTRICAL FITTER

We are looking for an experienced Fitter to join our Operations team in an established family-owned business in Leeds. Wilson Power Solutions are a leading manufacturer and supplier of electrical power distribution equipment and pioneers of ultra-low loss amorphous transformer technology. Our flagship product saves money, saves energy, cuts carbon and offers an innovative solution to the worldwide challenge of reducing energy wastage.

The Role:

- Your core duties will be the fitting of various types of distribution and power transformers
- You will prepare work to be accomplished by studying assembly instructions, blueprint specifications, and parts lists; gathering parts, subassemblies, tools and materials.
- You will assemble components by examining connections for correct fit; fastening parts and subassemblies
- You will be expected to maintain the highest level of workmanship standards and product quality ensuring products are produced and delivered OTIF to the customers' requirements.
- You will check and complete all paperwork associated with the works order
- Performance of area housekeeping activities, including the prompt reporting of problems, shortages or equipment breakdown
- Using general workshop machinery and hand tools related to the fitting role
- Quality inspection of colleague's output

Skills, Knowledge & Experience:

- Hands-on experience of working within a mechanical/electrical engineering environment is essential.
- The ability to understand mechanical and schematic drawings.
- Mechanical or electrical qualification desirable
- Have good written and verbal communication skills
- Experience in working collaboratively with other operations personnel
- Ideally experience of working within a continuous improvement environment
- Strong attention to detail
- Good communication skills

Salary and benefits:

- Salary negotiable
- 25 days holiday per year plus 8 bank holidays
- Company Bonus Scheme
- Two paid breaks
- Nine-day fortnight
- Healthcare scheme
- Canteen facility with tea, coffee and milk provided
- Pension
- Parking on-site

Applications: Please email your CV to hr@wilsonpowersolutions.co.uk stating your current salary.
